WORK EXPERIENCE

Aug 2007 – PRESENT

Web Designer @ Zabello Design.

Responsibilities: Work closely with my clients to create sites from scratch and then train the clients to maintain their sites. Work included a multilingual site. Created templates based and custom designed websites that included animation, PHP e-mail, Java Script functions, Flash elements as well as my original photography. See latest portfolio + at zabellodesign.com

Achievements: ~ A Personal Care Boutique ~ site appeared on a news service <http://www.1888pressrelease.com>. This was an example of successful collaboration with a client to meet very specific demands and deadlines

Oct 2006 – Oct 2007

English Quality Rater @ Workforce Logic for Google Inc.

Responsibilities: Examined and analyzed text, web pages, images, and other kinds of information. Evaluated the accuracy of Google search engine results. Communicated via an online tool.

Achievements: Within the first two months promoted to a Russian QR Moderator.

Aug 2000 – Sept 2000

Quality Assurance @ Ensemble Internet Design

Responsibilities: Worked remotely and temporarily as a part-time quality controller for Ensemble Internet Design's client Quintus.

Nov 1998 – June 2000

Senior Consultant @ at Arthur Andersen LLP Business Consulting division (now Accenture)

Responsibilities : Participated in development of experiential design methodology and web sites diagnostic tools. That included web sites quality evaluation, focus groups, and usability testing, content inventory. Created mock up sites for potential clients in medical field. Assisted in developing visual appearance and strategy for redesigning website for Agilent Technology.

Achievements: My design was chosen out of four as a main redesign direction.

June 1995 – Aug 1999

Designer @ agriculture.com

Responsibilities : Assisted in development of a portal site and profit center @agriculture Online within a US\$1bn publishing company Meredith Corporation.

Achievements: Increased navigability and doubled the number of visits to site sections by introducing a new navigation model. Created an extensive cross-reference

Internet archive of selected articles from agricultural magazine with over 1.4 Mil readership. Pioneered daily one-minute online radio shows based on Radio Magazine. This brought additional advertising revenues to the site. Built and maintained Cyrillic encoded section called New Agribusiness Online.

Before that in Russia I worked primarily in the publishing industry and communications media, and as a Russian/English interpreter.

COMMUNITY INVOLVEMENT

My community involvement is extensive and ongoing. I have been working as a volunteer 6 hours per week at Christa McAuliffe K8 alternative public school in Saratoga for the last 3 years.

In 2007-08 aided 3 hour a week at Saratoga Parent Nursery school, maintained their website and participated in a number of fund raising events.

In 2005 on a volunteer basis tutored the Internet in the Russian Language at the Calabazas Branch of the San Jose Public Library.

In 2002 on a volunteer basis created and maintained two of Las Madres Club web sites: Las Madres Cupertino/ West San Jose 2000, Las Madres 2000. Las Madres club is a nonprofit parents' playgroup. Las Madres club has over a 1000 members.

I support local YMCA and often participate as a volunteer during *Sunset* Magazine celebration weekend.
